Moulin à Vent "Les Rouchaux"

AOC Moulin-à-Vent, Beaujolais, France

LOCATION

This plot covers 2.04 hectares, and comprises vines aged 65 and over. It is located in the village of Romanèche-Thorins, in the lieu-dit of Les Rouchaux.

TERROIR

This terroir, located at the bottom of the hill, is the deepest on the estate, at about two meters of sand, clay and silt. The granite is blue and rich in manganese. This deeper and more clayey soil maintains the humidity, ensuring the sap circulates better within the vines. There is little hydric stress here during dry periods which allows for more even ripening of the grapes, with more rounded wines as a consequence.

VARIETAL

Gamay 100%

TASTING

This is a fruity, gourmet wine, that is very enjoyable in its youth.
