Vosne-Romanée "Aux Réas"

AOC Vosne-Romanée (Bourgogne), Aux Réas, Red 2016

A wine of great purity whose minerality sets it apart from the standards of the appellation.

THE WINE

Giving a wine of great purity where the smoothness and minerality characterizing it places Vosne a little outside the standards of the appellation. The beautiful exposure of this terroir thanks to its gentle south-south-easterly slope always offers a beautiful maturity that contrasts with the freshness of these limestones.

THE VINTAGE

This cuvée was product in 1191 bottles for the vintage 2016.
