CÔTE D'OR

Hautes Côtes de Nuits "Le Clos du Prieuré"

AOC Bourgogne Hautes Côtes de Nuits (Bourgogne), Le Clos du Prieuré, Red 2015

THE WINE

Always harvested after the harvest of the parcels located on the Côte, whereas it is usually necessary to wait 1 week to 10 days more for the vines located at this altitude.

This parcel produces supple and deep Hautes-Côtes de Nuits, with always a very beautiful maturity, favoured by its slope and its south-facing exposure.

THE VINTAGE

This cuvée was produced in 3341 bottles for the vintage 2015.

SITUATION

1,1 ha planted in 1986.

Located in the commune of Arcenant, 10km west of Nuits-Saint-Georges.

TERROIR

This parcel is composed of white marl and limestone similar to those found in the Corton Charlemagne.

Its steep slope (about 40%) and south-facing orientation give it a very good aptitude for maturity.

WINEMAKING

The grapes are harvested by hand and 100% destemmed.

3 weeks of fermentation with very gentle extraction.

30% of new oak barrels are used.

VARIETALS

Pinot noir : 100%
