

## Vosne-Romanée "Aux Réas"

AOC Vosne-Romanée, Aux Réas,

# A wine of great purity whose minerality sets it apart from the standards of the appellation.

#### PRESENTATION

Giving a wine of great purity where the smoothness and minerality characterizing it places Vosne a little outside the standards of the appellation. The beautiful exposure of this terroir thanks to its gentle south-south-easterly slope always offers a beautiful maturity that contrasts with the freshness of these limestones.

### THE VINTAGE

1942 bottles and 60 magnums have been produced for the vintage 2018.

#### LOCATION

0,55 ha planted in 1954. This plot located on the edge of the Premier Crus, is at the crossroads of the Combe de Nuits and the Combe de Vosne.

#### TERROIR

It is a plot with a steep slope where the vines grow practically on the rock which, in places, is flush with the surface of the soil. The upper part of the plot is rather on a rather dark clay soil.

#### WINEMAKING

Harvesting is manual and entirely destemmed. 3 weeks of fermentation with very light intervention. 50% of new barrels are used for an aging period of 18 months.

#### VARIETAL Pinot Noir 100%

13 % VOL.

Contient des sulfites.

#### TASTING

The bouquet has a spicy nose (brown spice) infusing the red berry, black raspberry, cassis, violet and a hint of sandalwood. The palate is sweet on the entry and round, offering lightly spices, red fruit mixed, tangerine and quince, with a touch of menthol toward the lean finish.
