Bourgogne "Les Grands Chaillots"

AOC Bourgogne (Bourgogne), Les Grands Chaillots, Red 2016

Located in the commune of Nuits, exactly in the axis of the "Saint-Georges", this parcel gives Burgundy wines for ageing, structured and very aromatic, which must be kept for two to three years before being enjoyed.

THE WINE

The origins of the grapes used to produce this cuvee make it more a wine of guard than a wine to consume quickly unlike the majority of Burgundy product that are generally more on the fruit than on the tension and structure. Burgundy Grands Chaillots will have to be classified in the Burgundy guard category.

Often of a beautiful structure, it is a wine that surprises by its length and its behavior.

The mouth is often floral at first ending on more spicy notes with slightly firmer tannins.

SITUATION

Our parcel is 0.8 ha planted in 1986.

We purchase grapes from old vines between 45 and 80 years old.

TERROIR

Since the vintage 2010 this cuvée is an assemblage of different terroirs located on the coast of Nuits:

- 1/3 comes from the vineyards of the estate in the Burgundy appellation located on the commune of Nuits Saint Georges on argilo-silty soil.
- 2/3 comes from the purchase of grapes on the appellations Village (Marsannay, Côtes de Nuits, Beaune, Ladoix Serrigny) For these purchases a follow-up is carried out in the vine and all harvesting is done by us.

VARIETALS

Pinot noir : 100%
