

Vosne-Romanée "Aux Réas" AOC Vosne-Romanée, Bourgogne, France

LOCATION

0.55 hectares of vines planted in 1954.

Its mid-slope position brings complexity to this wine, along with a sophistication worthy of some of the appellation's premier crus.

TERROIR

Located at the intersection of the Nuits and Vosne valleys, these wines are unique for two main reasons:

- Brown soil rich in limestone from the Combe de Vosne ("réas" meaning "small round stones") which brings tension and vigor
- A steep slope ensuring the plot faces almost due south resulting in wonderful maturity

VARIETAL Pinot Noir 100%

HIBAULT LIGER-BELAIR
