

Corton-Charlemagne Grand Cru "Les Languettes"

AOC Corton-Charlemagne Grand Cru, Bourgogne, France

LOCATION

This 0.15-hectare plot is located in the commune of Aloxe-Corton on the climat of Les Languettes, a steep (25%) south-southeast-facing slope on the highest part of the Corton hill.

TERROIR

This marl soil is rich in clay. The limestone alternates with the marl beneath a shallow layer of rendzina.

VARIETAL

Chardonnay 100%

TASTING

This wine has a delicate and seductive character. Its acidic tension allows it to flourish fully after a few years in the cellar.
