

Moulin à Vent "La Roche"

AOC Moulin à Vent, Beaujolais, France

LOCATION

2.25 hectares of vines planted between 1920 and 1945.

TERROIR

These plots are located at the top of the Moulin à Vent hill, about 50 meters from the mill itself, where there are outcrops of pink granite. This terroir is unique in that there is a cool northerly wind here which, when combined with the granite soil, gives lovely freshness to the wine.

VARIETAL

Gamay 100%
