

## Vosne-Romanée "Aux Réas"

AOC Vosne-Romanée, Aux Réas,

A wine of great purity whose minerality sets it apart from the standards of the appellation.

### PRESENTATION

Giving a wine of great purity where the smoothness and minerality characterizing it places Vosne a little outside the standards of the appellation. The beautiful exposure of this terroir thanks to its gentle south-south-easterly slope always offers a beautiful maturity that contrasts with the freshness of these limestones.

### THE VINTAGE

### TASTING
